MEMORANDUM FOR: General Walter Bedell Smith  
Director of Central Intelligence Agency

SUBJECT: Request for Nomination of Panel Member  
and Alternate for Middle East Plan

The Psychological Strategy Board, at its eleventh meeting, approved the formation of a Panel to develop a psychological strategy plan for the Middle East.

It is requested that the Central Intelligence Agency nominate a principal member and an alternate for this Panel. Because of the nature of the problem, these nominees should be generally well-informed on politico-military matters, including Service views with respect to Middle East problems. Please advise me of the name, rank or grade, organizational position, and type of security clearances of the persons nominated.

In order that the Panel may start to work as expeditiously as possible, early action on this request will be appreciated.
